What is mental illness today? Five hard questions.

Mental illnesses are one of the largest burdens upon the economy and upon the NHS, but we still have very little agreement upon what they represent or how best to provide for them. This seminar will consider that knotty problem through questions which consider some of the empirical, conceptual and ethical dilemmas they raise.

Professor Nikolas Rose
King's College London

4.30pm, Wednesday 15 May
B63, Law & Social Sciences Building
University Park

Admission free, all welcome.
